DYNAMIC OPEN OFFICE

Project Details

Name: UBS Financial
Location: Weehawken, NJ

Product Details

Product: K-13 White
Details: 27,000 SF at 1" Thick

Architect Details

Product: Belea Group
Details: New York, NY

UBS Financial Services recently opened its newest office in Weehawken, NJ. Designed by New York-based Belea Group International, a firm specializing in the design of corporate interiors, the facility encompasses over 27,000 square feet of modern office space.

To address the need for acoustical control, essential for this type of environment, K-13 in White was spray-applied to a minimum 1" thickness to the exposed metal decking and beams. The application of K-13 White provides exceptional acoustical performance and high light reflectance for optimized daylighting. Additionally, K-13 is GREENGUARD Gold Certified contributing towards a healthier indoor environment.

ACOUSTIC & THERMAL SOLUTIONS

FOR SIMILAR K-13 PROJECTS

VEO ROBOTICS

WALTHAM, MA

Veo Robotics is transforming manufacturing through their innovative products, which incorporate advanced computer vision, 3D sensing, and Artificial Intelligence (AI), allowing workers to collaborate and interact with high-performance robots and specialized machinery in real-time. Located in Waltham, MA, Veo Robotics' 9,800 square foot facility is a modern, open-plan design encompassing conference rooms, workshops, and office areas. K-13 in White was utilized to provide acoustical control ensuring a productive, comfortable environment.

Acoustic Performance

K-13 is applied in thicknesses from 1" up to 5" to provide the desired level of acoustical absorption. At 1", K-13 provides a NRC of .80.

Thermal Value

K-13 has a R-Value of 3.75 per inch. This demonstrates how K-13 helps keep a space at the right temperature, saving on costs and the environment.

Application

K-13 is spray-applied, between 1" and 5". It is engineered for application to common substrates and can adhere to complex or irregular surfaces.

Colorful Options

K-13 is available in standard colors, and can be manufactured in custom, integral colors for unlimited design options.
